

Company / Project	Type of funding	Amount (US\$ millions)	State	Link to the announcement					
<i>December so far</i>									
Eos Energy Enterprises	Loan (closed)	330	Pennsylvania	https://www.energy.gov/articles/biden-harris-administration-announces-3035-million-loan-guarantee-eos-energy-enterprises-0					
Starplus Energy lithium-ion gigafactory	Loan (commitment)	7500	Indiana	https://www.energy.gov/po/articles/po-announces-conditional-commitment-starplus-energy-construct-lithium-ion-battery					
<i>November</i>									
AI4IX / grid interconnection backlog	Grant	30	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-announces-30-million-ease-interconnection-backlog-deliver-more					
Various battery recycling, manufacturing projects	Grant	71	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-announces-nearly-71-million-continue-strengthening-americas					
Support Wholesale Electricity Markets	Grant	10	Nationwide/m	https://www.energy.gov/gdo/articles/biden-harris-administration-announces-10-million-support-wholesale-electricity-markets					
Hydrogen	Grant	2200	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-announces-awards-22-billion-two-regional-clean-hydrogen-hubs					
High-Performance Computing for Energy Innovation	Grant	7	Nationwide/m	https://www.energy.gov/eere/iedo/articles/us-department-energy-announces-7-million-advance-high-performance-computing					
Various clean energy projects	Grant	61	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-awards-over-17-million-61-local-and-territorial-governments					
Advance Development of Mixed Algae for Biofuels and Bioproducts	Grant	20	Nationwide/m	https://www.energy.gov/eere/articles/us-department-energy-announces-202-million-projects-advance-development-mixed-algae					
Nine hydropower projects	Grant	15	Nationwide/m	https://www.energy.gov/eere/articles/us-department-energy-invests-nearly-15-million-enhance-hydropowers-ability-support					
Hydrogen-Related Rail Projects	Grant	2400	Nationwide/m	https://www.energy.gov/eere/fuelcells/articles/usdot-announces-97-million-hydrogen-related-rail-projects-part-24-billion					
High Voltage Direct Current Transmission Projects	Grant	11	Nationwide/m	https://www.energy.gov/oe/articles/doe-announces-11m-high-voltage-direct-current-transmission-projects					
Li-Cycle hub facility	Loan (closed)	445	New York	https://www.energy.gov/po/articles/doe-announces-445-million-loan-li-cycle-recover-critical-electric-vehicle-battery					
Rivian EV manufacturing	Loan (commitment)	6570	Georgia	https://www.energy.gov/po/articles/po-announces-conditional-commitment-rivian-support-construction-ev-manufacturing					
Grain Belt Express transmission line	Loan (commitment)	4900	Kansas & Mis	https://www.energy.gov/po/articles/po-announces-conditional-commitment-grain-belt-express-construct-high-voltage-direct					
<i>October</i>									
Lithium Americas Corp Thacker Pass	Loan (closed)	2260	Nevada	https://www.energy.gov/po/articles/doe-announces-226-billion-loan-lithium-americas-corp					
LongPath Technologies methane emissions	Loan (closed)	162	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-announces-162-million-loan-guarantee-longpath-technologies					
Montana Renewables Sustainable Aviation Fuel Production	Loan (commitment)	1440	Montana	https://www.energy.gov/po/articles/po-announces-conditional-commitment-montana-renewables-significantly-expand-us					
Gevo corn starch-to-jet fuel facility	Loan (commitment)	1460	South Dakota	https://www.energy.gov/po/articles/po-announces-conditional-commitment-gevo-net-zero-corn-starch-sustainable-aviation					
AES Marahu (Puerto Rico solar and storage projects)	Loan (closed)	860	Puerto Rico	https://www.energy.gov/articles/biden-harris-administration-announces-more-860-million-loan-guarantee-support-construction					
EVgo EV charging infrastructure	Loan (commitment)	1050	Nationwide	https://www.energy.gov/po/articles/po-announces-conditional-commitment-evgo-deploy-nationwide-ev-fast-charging-network					
Slash Electric Vehicle Battery Recycling Costs	Grant	45	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-announces-nearly-45-million-slash-electric-vehicle-battery					
Clean Ports Program	Grant	475	Nationwide/m	https://www.energy.gov/eere/fuelcells/articles/epa-announces-clean-ports-program-selections-including-475-million-hydrogen					
Projects to Advance Clean Transportation Across America	Grant	18.6	Nationwide/m	https://www.energy.gov/eere/articles/doe-announces-186-million-projects-advance-clean-transportation-across-america					
Energy Efficiency and Clean Energy Projects at Federal Facilities	Grant	150	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-announces-150-million-advance-net-zero-projects-federal					
Support to advance commercialization of clean energy technologies	Grant	20	Nationwide/m	https://www.energy.gov/technologytransitions/articles/doe-announces-20-million-vouchers-support-over-170-organizations					
Catalyze the Clean Energy Workforce	Grant	27	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-announces-over-27-million-catalyze-clean-energy-workforce-part					
Domestic Clean Energy Manufacturing in Former Coal Communities	Grant	428	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-announces-nearly-430-million-accelerate-domestic-clean-energy					
Sustainability and Reliability of Offshore Renewable Energy Deployments	Grant	17	Nationwide/m	https://www.energy.gov/eere/articles/us-departments-energy-and-interior-invest-17-million-enhance-sustainability-and					
Permanent, Safe Storage of Carbon Pollution	Grant	518	Nationwide/m	https://www.energy.gov/fecm/articles/doe-invests-518-million-strengthen-nations-infrastructure-permanent-safe-storage					
Removing Carbon from the Atmosphere	Grant	58	Nationwide/m	https://www.energy.gov/eere/fuelcells/articles/us-department-energy-invests-58-million-tackle-climate-change-removing					
Grid resilience	Grant	2000	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-announces-additional-2-billion-protect-grid-against-growing					
Reduce Carbon Emissions	Grant	29	Nationwide/m	https://www.energy.gov/fecm/articles/doe-invests-29-million-reduce-carbon-emissions					
Hydropower facilities	Grant	12	Nationwide/m	https://www.energy.gov/gdo/articles/biden-harris-administration-announces-12-million-support-hydropower-facilities-across					
Local clean energy strategies	Grant	10	Nationwide/m	https://www.energy.gov/eere/articles/doe-invests-10-million-support-clean-energy-transitions-communities-across-united					
Reducing energy use and greenhouse gas emissions across industrial sub	Grant	43	Nationwide/m	https://www.energy.gov/eere/articles/us-department-energy-announces-more-43-million-projects-drive-industrial					
Numerous transmission projects	Grant	1500	Nationwide/m	https://www.energy.gov/articles/biden-harris-administration-invests-15-billion-bolster-nations-electricity-grid-and-0
